

## KLS Martin Symposium

Solutions in reconstructive oncologic surgery:  
Standard x patient-specific

Thursday, September 29th, 2022, 14:00 – 16:00 h  
Room Roma, Floor 2, IFEMA, Palacio Municipal

When are standard implants the treatment of choice and in which cases patient-specific solutions may be preferred?

Visit the KLS Martin Symposium and learn from our international experts:

- **Benedicta Beck-Broichsitter**, Stuttgart, Germany
- **Antonio Marí Roig**, Barcelona, Spain
- **Rui Fernandes**, Jacksonville FL, USA
